

NEW Residential Lossnay Unit VL-220CZGV-E

Available March 2016

Providing 24 hour ventilation for the entire house, from living room areas and bedrooms to the bathroom.

Features

- » Filter cuts pollen and dust for fresh clean air
- » Sensible core heat exchanger
- » Highly energy efficient
- » Ultra quiet operation (14dB)
- » Air volume 18-64 L/s
- » Shuts out outside noise
- » Minimises temperature difference
- » Adjustable fan speed

Specifications

VL-220CZGV-E

		VL-220CZGV-E			
Electrical power supply		220-240V/50Hz 220V/60Hz			
Ventilation mode		Heat recovery mode			
Fan speed		Fan speed 4	Fan speed 3	Fan speed 2	Fan speed 1
Running current		0.60	0.29	0.18	0.11
Input power (W)		80	35	18.5	8.5
Air volume	(m ³ /h)	230	165	120	65
	(L/s)	64	46	33	18
External static pressure (Pa)		164	84	44	13
Temperature exchange efficiency (%)		82.0	84.0	85.0	86.0
Noise (dB)		31.0	25.0	19.0	14.0
Dimensions (HxWxD) mm		320x720x848			
Weight (kg)		31			
Specific energy consumption class		A
